Bond No. _____

REPOSSESSOR BOND

KNOW ALL PEOPLE BY THIS DOCUMENT, that we _____,
_____, as Principal, doing business at _____,
_____ and _____,
as Surety authorized to transact business in Colorado, are held and firmly bound unto the
ATTORNEY GENERAL in the STATE OF COLORADO, for the use and benefit of every
person establishing legal rights hereunder, in the amount of FIFTY THOUSAND DOLLARS, to
the payment of which we hereby bind ourselves, our heirs, administrators, executors,
representatives, successors and assigns, firmly by this document.

WHEREAS, § 4-9-629, C.R.S. (2009), requires a secured party or its assignee who
wishes to recover or take possession of collateral upon a debtor's default to either be held
responsible under general principles of agency law for actions of reposseors or to contract to
recover or to take possession of collateral only with a person who is bonded for property damage
to or conversion of such collateral in the amount of fifty thousand dollars, and WHEREAS such
bond must be filed with and drawn in favor of the Attorney General of the State of Colorado;

NOW, THEREFORE, the condition of this obligation is such that if the above-
named principal shall satisfy all money judgments, default or otherwise, rendered against it by a
court of competent jurisdiction or in binding arbitration, this obligation is void, but if the principal
shall fail to satisfy any such judgment arising from damages or losses suffered by a debtor as a
result of principal acting in the course of recovering or taking possession of collateral, this
obligation remains in full force and effect.

This bond shall become effective on the _____ day of _____,
20____, but if these spaces are not completed, the date of execution shall be the effective date of
the bond.

The surety shall have the right to terminate its liability hereunder only by giving the
principal and the Colorado Attorney General written notice of such termination, in accordance
with the requirements provided by § 10-4-109.7, C.R.S. (2009), addressed to the principal and to
the Colorado Attorney General, Business Regulation Unit, 1525 Sherman Street, 7th Floor,
Denver, Colorado 80203. Such termination shall not release said surety from the liability existing
under this bond at the time of the effective date of termination.

In order to draw funds on this bond, the Colorado Attorney General shall first give the surety written notice of principal's failure to satisfy a money judgment, as described above, and shall demand payment or satisfaction of said judgment. In the event that surety fails to perform its obligation under this bond, the Colorado Attorney General may commence appropriate legal action against surety to recover the amount of the judgment plus interest, costs and attorney fees.

In no event shall the aggregate liability of the surety for all claims under this bond exceed the amount of this bond.
